POWERSALES

the HISTORY

Power Sales & Advertising (PSA) began in 1975 under the name of Don Roberts & Associates initially operating as manufacturer's representatives to the states of Kansas, Missouri, Iowa and Nebraska for retail accounts. As the business changed, PSA evolved into a master distributor to the premium and incentive industry in the early 1990's. Since then, our staff and warehouse size has continued to grow steadily. PSA has been in business for over 38 years. We look forward to continuing, and expanding upon, our great tradition for many years to come.

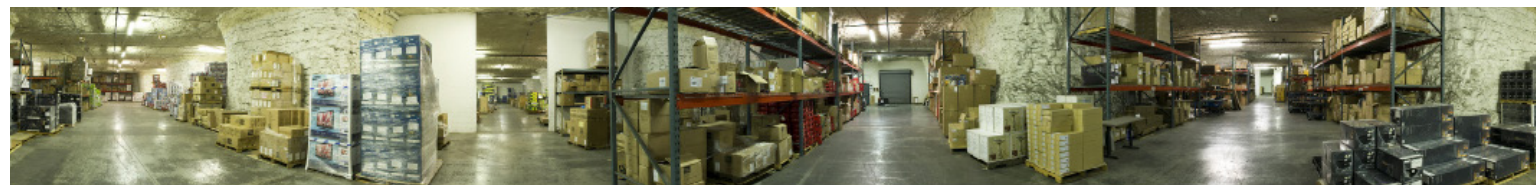

the MISSION

Our Mission is to provide the best in sales, customer service, and flexible solutions for our customers. Our staff is dedicated to that mission and our chief goal is to put the needs of our customers first. Power Sales has grown successfully through the commitment to this mission of outstanding customer service. We achieve this mission by sticking by our philosophy of optimism, hard work, and congeniality.

the SERVICE

Our industry leading customer service standards combined with our ability to provide flexible shipping solutions makes Power Sales the total solution for all of your distribution needs. With well over 133,000 square feet of warehouse space we are able to effectively stock and distribute our ever-expanding product offerings which has grown to include more than 185 different product lines.

Power Sales is committed to embracing new technologies, allowing us to stay on the leading edge of customer service. Our ability to e-mail shipment notifications and provide electronic tracking information keeps you informed of your orders from beginning to end. We also provide dedicated product information feeds and daily inventory levels help eliminate availability issues. Our advanced system allows us to maintain a high fill rate, eliminating the need for follow up e-mails, faxes and phone calls.
